**Subject: Olympus Energy LLC
 Zeus and Midas Well Sites
 NSPS Subpart OOOOa Annual and Initial Reports**

Dear Director,

Olympus Energy LLC, previously doing business as Huntley & Huntley Energy Exploration LLC (HHEX), is hereby submitting the enclosed NSPS Subpart OOOOa Annual and Initial Reports for Zeus and Midas well sites in Upper Burrell Township, Westmoreland County, Pennsylvania, and Plum Borough, Allegheny County, Pennsylvania, respectively, in accordance with 40 Code of Federal Regulations (CFR) §60.5420a(b). The initial annual report is due no later than 90 days after the end of the initial compliance period as determined according to 40 CFR §60.5410a. Subsequent annual reports will be due no later than the same date each year as the initial annual report.

The initial startup for Midas was August 20, 2018; therefore, the initial compliance period was from August 20, 2018, through August 20, 2019. This initial report is being submitted by November 18, 2019, which is 90 days after the end of the initial compliance period. The initial annual report for Zeus was submitted on October 30, 2018, for the compliance period of July 21, 2018, through August 1, 2018.

The Reports include applicable information of the items required under 40 CFR §60.5420a(b).

- General Information
- Well Information
- Centrifugal Compressor Information
- Reciprocating Compressor Information
- Pneumatic Controller Information
- Storage Vessel Information
- Fugitive Emissions Components Information
- Pneumatic Pump Information

- Performance Test Information
- Combustion Control Device Information
- Closed Vent System Certification

If you have any questions or concerns, please feel free to contact me at 610-203-6463 or scleveland@olympusenergy.com or Allison Devine at 412-249-2282 or adevine@cecinc.com, and we will provide any additional clarification or additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Cleveland". The signature is fluid and cursive, with the first name "Scott" being more prominent than the last name "Cleveland".
